professional clients, and its products continue to meet or exceed all quality targets.

May. 04, 2022

The logo for Drake Software, featuring the word "Drake" in a dark grey sans-serif font and "Software" in a light blue sans-serif font, with a registered trademark symbol (®) at the end.

Drake Software has appointed Dominic (Dom) Morea as President and CEO. Interim CEO Euan Menzies will continue in his role as Chairman of Drake Software.

Dom Morea comes to Drake Software with a strong background of more than 20 years' experience in FinTech, working with Fiserv and First Data Corporation. He served most recently as Global Head of Fiserv's Prepaid business. The Fiserv Prepaid business is one of the world's largest payment service providers, supporting billions of transactions annually across the globe and millions of consumer/app users.

“Drake Software has never been stronger,” said Drake Software’s founder and current

year, making strategic investments across many facets of the business which led to customer growth. I am delighted to welcome Dom as the new CEO, and I am confident he will have a major positive impact as we move forward.”

Drake Software’s new President and CEO Dom Morea adds, “I’ve spent my career in industry-leading financial service and technology firms and have great admiration for Drake Software’s reputation for excellence in product development and customer service. I am honored to join Drake Software and have the opportunity to enable the talented members of this company to achieve new levels of success where we will continue to drive innovation and service quality within the tax industry.”
