“Our goal is to deliver easy-to-use, cloud-based tools that give accounting professionals the flexibility to incorporate artificial intelligence seamlessly,” said Steven Bong, founder and Chief Executive Officer of AuditFile.

AuditFile is a complete, cloud-based all-in-one engagement automation platform for public accounting professionals. Offered in three subscription options, AuditFile easily scales to meet the specific needs of firms of all sizes and specialties, and includes data storage, web training, and technical support in the subscription fee.

AuditFile was awarded patent 10,891,294 by the United States Patent and Trademark Office (USPTO) in January 2021.
