This webinar was held on Tuesday, August 23, 2022.

Sponsor: SafeSend

Duration: 1 Hour

Outdated processes filled with manual tasks that haven't been updated in years can cause anxiety and burnout among staff. Join SafeSend as we examine a variety of options for automating client touchpoints across the tax engagement – gather source documents, collect digital organizers, assemble, and deliver completed tax returns, collect e-signatures, send reminders, and accept tax prep fees just to name a few. We'll explore what does and doesn't work for tax professionals and review the benefits of using a suite of automation solutions built specifically for tax and accounting firms.

Reduce frustration for your firm staff and your clients. In this webinar, we will talk about the SafeSend Suite and how a secure, intuitive, and guided online tax

engagement experience for clients can elevate your firm's image, fortify your

4. Learn how to develop a client-centric approach for tax engagements and improve client collaboration

Program level: Basic (no prerequisites required).

Field of Study: Information Technology and Firm Management.

Presented by

Joe Wroblewski is a Senior Product Enthusiast with more than eight years of experience working in tax and accounting technology. He leverages his expertise in areas such as client success, learning and development, and sales to help new and existing customers make an immediate impact in their firms using the SafeSend Suite. Since 2012, he has held many roles at SafeSend, but most enjoys helping firms design workflows that best complement their specific needs.

Gail Perry is the editor-in-chief of CPA Practice Advisor. A veteran of accounting journalism, she also speaks at many accounting events,

trade shows, and webinars. Gail is the author of over 30 books

is a former computer applications instructor at the Indiana CPA
Society. Gail is a member of the AICPA's PFS Credential Committee.

This FREE online webinar is a continuation of *CPA Practice Advisor's* mission to provide unbiased, independent information on technologies available to practicing public accountants and tax professionals.

Special thanks to our sponsor for supporting this educational session:

SafeSend's mission is to automate the tax and accounting profession with innovative, emerging technologies that help practitioners work more efficiently and serve their clients better. Progressive accounting firms and tax professionals rely on our unique and robust solutions to make their lives easier and their work more enjoyable.

SafeSend offers several foundational technology solutions for the tax and accounting profession. Our flagship offering, SafeSend Returns[®] is a multi-year winner of the CPA Practice Advisor Technology Innovation Award and has redefined the way accounting firms digitally assemble, securely deliver, and quickly capture e-signatures from clients for completed tax return packages. Additional tools we offer include, TicTie Calculate[®], an Adobe[®] Acrobat[®] plug-in for accounting professionals, and SafeSend Exchange[™], the secure, bi-directional file exchange system. Visit safesend.com to learn more about our digital solutions.
