About 3 million Forms 1040-X are filed by taxpayers each year. Taxpayers can still use the [Where's My Amended Return?](#) online tool to check the status of their electronically-filed Form 1040-X.

Forms 1040 and 1040-SR can still be amended electronically for tax years 2019, 2020 and 2021 along with amended Form 1040-NR and corrected Forms 1040-SS and Form 1040-PR for tax year 2021.

In general, taxpayers still have the option to submit a paper version of the Form 1040-X and should follow the instructions for preparing and submitting the paper form.

The IRS continues to look at this important area, and more enhancements are planned for the future.
