Top 25 nationally ranked CPA and advisory firm, Carr, Riggs & Ingram, LLC (CRI)

Operating in Miami, Florida, since 1996, Alonso & Garcia provides audit and attestation, bookkeeping, payroll, tax compliance and consulting, and business valuations to various industries, including hospitality and restaurant, real estate, professional services firms, retail, transportation, construction, and manufacturing.

"CRI continues to find 'best in class' entrepreneurs and firms with which to combine. That is the part of their' secret sauce' that propels them to be one of the fastest-growing first-generation firms in the country," said Allan D. Koltin, CEO of Koltin Consulting Group, who advised both firms on the merger. "They continue to excel in finding great firms to bring in but also do an exceptional job of integrating merged firms once they join CRI. Domingo Alonso and the entire Alonso & Garcia team are exceptional, and their firm was much sought after by many larger regional and national firms for merging. They were drawn to CRI's strategic and cultural fit and the growth opportunities the combination would bring to their team and clients."
