Leaf Software Solutions. "This partnership allows us to create new relationships and add value to businesses in Indiana."

The Indiana CPA Society is a statewide professional association representing nearly 7,000 CPAs and related professionals who will be able to benefit from this new partnership. "Working with Leaf Software Solutions will enable us to provide relevant new tools and service offerings for our members," said INCPAS President & CEO Courtney Kincaid, CAE. "As the role of the CPA continues to evolve, having the right technology in place can help free up their resources to spend more time on the strategic skills that are most meaningful to the organizations or clients they serve."
