Ensuring Success will be held December 14-15, 2022. Earn up to 14 hours of free CPE during this 2-day annual, virtual conference. [Register now](#) and mark your calendar for Ensuring Success, to ensure you meet your year-end CPE requirements.

This is the original, completely virtual online CPE conference for accounting and tax pros, so you can attend and earn free CPE credits from the comfort of your office. No travel, no hotels, no rushing from one session to the next. Earn from 1 to 14 hours of free CPE during this online 2-day event. Pick only the sessions you want to attend, and finish up your CPE requirements before the end of the year.

Join a lineup of some of the accounting profession's most innovative and creative thought leaders as they present back-to-back, one-hour educational sessions each day, discussing the latest trends and concepts and providing concrete tools and take-aways that will help ensure the future success of your practice. Through the use of various social media, you can participate interactively with the speakers and other attendees just as if you were in the same room.

We are still building the courses and schedule for the 2022 event, but they will be similar to last year's, which was attended by more than 4,000 accounting professionals online. [You can view a list of sessions here](#). The archived versions of the webcasts are NOT eligible for CPE. Only the live event, coming up in December.

All sessions qualify for 1 hour of free CPE credit, and the tax-focused sessions qualify for IRS CE credit. *CPA Practice Advisor* is an approved NASBA and IRS continuing education provider.
