IRIS Software Group (IRIS), a global software provider of accountancy solutions, has acquired Thomson Reuters myPay Solutions, an online payroll processing service designed to empower CPAs. myPay Solutions provides comprehensive outsourced payroll and associated banking and tax services via CPA firms to small and medium-sized businesses across all 50 states in the United States.

myPay Solutions is a further strategic step in IRIS' mission to better serve the CPA market in the Americas, adding a complementary service offering to IRIS' domestic and international payroll, and HR consultancy. IRIS brings together leading technology, capability and fundamental knowledge to help CPAs address the challenges and opportunities of growing and supporting American businesses.

IRIS continues to invest in its online payroll offerings to provide comprehensive payroll solutions. Whether it's software, white labelled services or a hybrid model, CPAs will be able to easily balance workloads by flexing between in-house and outsourced work.

By providing accounting firms with seamless online payroll services, IRIS enables

including Jim Dunham as President and General Manager.

IRIS is used by 52 of the top 100 U.S. CPA firms. The addition of myPay Solutions further enhances its ability to help any sized accountancy firm achieve its full potential while scaling as its business grows. myPay Solutions will extend the IRIS accountancy portfolio as the company continues to provide accounting professionals with a single source of truth about their customers to help them succeed and move forward with certainty and confidence.

“We are thrilled to welcome myPay Solutions to the IRIS family and are proud of this latest milestone as we continue to supercharge our presence in the Americas,” said Elona Mortimer-Zhika, CEO of IRIS Software Group. “IRIS is committed to delivering the best-of-breed software solutions accounting firms require to successfully manage and grow their firm in today’s evolving business landscape, and myPay Solutions is an ideal addition to our payroll solutions portfolio. Our complete suite of offerings gives accountants the flexibility to handle payroll in-house or through the payroll processing service, providing them with options to simplify their unique payroll requirements and focus on introducing new value-added services to drive their growth.”
