What are you doing to make a difference in the profession, your community, the world?

My work within Dark Horse CPAs is positively disrupting public accounting and creating better lives for all of the people we serve...team members and clients alike. Dark Horse is purpose-oriented and I'm maximizing my impact on the profession and the world through this platform. Other than that, I'm speaking on different platforms, podcasts, webinars, conferences to spread the message that there's a better practice and life available to CPAs who lead with intention.
