**LOCKSTEP®**

[Lockstep](#), an accounting automation provider, has partnered with [SYSPRO](#) to grow the connected accounting network. Lockstep will provide SYSPRO's North American customers access to award-winning accounts receivable (AR) automation software, [Lockstep Receivables](#).

Lockstep Receivables allows SYSPRO customers to manage the invoice-to-cash process through automated communication; customer-self-service, including online payment capabilities; and automated cash application. By leveraging the customer collections process, cash flow is increased, and credit risk is decreased.

SYSPRO is a leading, global Enterprise Resource Planning (ERP) software provider specializing in key manufacturing and distribution industries. For over 40 years, SYSPRO's team of specialists have continued to address unique industry needs and enable customers to easily adapt and grow.

“Lockstep enables companies to automate the existing manual collections workflow
