Corvee, a software and solutions company serving tax and accounting firms, will be sponsoring the [Digital CPA Conference 2022](#), taking place in Austin, Texas on December 4-7, 2022.

Representing Corvee at the conference will be Andrew Argue, CEO; Kyle Deering, senior vice president of revenue; and Tania Beach, vice president of tax planning and compliance software. They will be showcasing Corvee Tax Planning software at the company's booth.

The Digital CPA Conference will be in-person as well as virtually. This conference has been a resource for over a decade for accounting professionals interested in learning about the latest strategies, emerging technologies and data trends impacting accounting, finance, and advisory roles. Up to 17.5 CPE credits are available in the three days of the conference.

“We look forward to attending Digital CPA. We are especially excited for the
