help you think through the decision with a look at the collaboration needs of accounting firms and factors to consider.

Dec. 01, 2022

From Top 100 firms to 20-person teams, firms regularly struggle with the decision to build or buy when it comes to software. If you're currently considering the build versus buy question, this white paper will help you think through the decision with a look at the collaboration needs of accounting firms and factors to consider.
