run smoother for our customers,” said Intuit CEO Sasan Goodarzi. “QuickBooks and CPACharge performing together will provide an all-in-one solution that will help accounting professionals run their entire operation.”

High-efficiency accounting firms require a detailed accounting process and intense data recording. Cloud accounting software provides more flexibility in accounting firms of all sizes. QuickBooks’ platform has secure form recognition and codification as well as other tools that improve areas of a firm’s needs.

“We are excited to launch the CPACharge integration with QuickBooks, which is sure to provide our customers with a reliable solution and extend the versatility of services CPACharge grants customers with,” said Dru Armstrong, CEO of CPACharge. “Accounting professionals are adapting to the new ways of doing business and CPACharges’ seamless platform giving full control in the most convenient way possible.”
