Patriot's accounting software received top rankings in all categories, beating out well-known brands.

"We've designed every aspect of Patriot's accounting software with small business owners in mind," says Logan Kyger, Product Manager. "One of the ways we stay ahead of the game is by listening to our customers and their needs. The FrontRunner award for Top Small Business Accounting Software was hard won. We've worked tirelessly to get here, and we'll work harder in the future. Why? Because American small business owners depend on us, and they are the heart of Patriot Software."

Patriot Software is disrupting the payroll and accounting space by constantly redefining what it means to provide the nation's most powerful accounting and payroll platform. At the heart of Patriot's success are its best-in-class customer support and steady stream of features based on customer feedback.
