Certum Solutions was named Intuit's 2022 Trailblazer of the Year across the QuickBooks Solution Provider Program, and also recognized as a top seller in QuickBooks Online Advanced, QuickBooks Merchant Services, QuickBooks Online and QuickBooks Online Payroll for the Executive tier. The announcement was made at QuickBooks Connect, Dec. 7-9, 2022, in Las Vegas, NV.

The awards honor standouts from the QuickBooks Solution Provider program, Intuit's dedicated program comprised of high value-added resellers that go the extra mile for their clients by providing elite service, workflow efficiency and business growth through high-value software solutions and implementation.

As a result of Certum's unparalleled success over the previous 12 months, they were also promoted to the Elite tier of the QuickBooks Solutions Provider Program.

For Katherine Bunschoten, president of Certum Solutions, it's all about placing the customer and their needs first, and building a team committed to that.

"I am excited and humbled to receive this recognition on behalf of my amazing Certum team," said Bunschoten. "Our top priority is always to place our clients' needs and happiness first, and treat them like family, which is how I also see our team. Everyone inspires me every day to keep striving to bring custom solutions to our clients that make their lives easier and improve their businesses."
