CES 2023 RECAP
Consumer Technology Association

Technologists Randy Johnston and Brian Tankersley, CPA, CITP, CGMA, share a series of podcasts about the accounting and practice technologies they discovered at the 2023 Consumer Electronics Show (CES) in Las Vegas earlier this year. They also highlight some tech that can improve your clients' productivity.

There are four podcasts in this series. Click the links below to listen to the podcasts. You can also read [Randy's article](#) on some of the technologies they explored at the event.
