LEASE @CRUNCH

LeaseCrunch LLC, a maker of lease accounting technologies, has nearly doubled its team as the company achieves record growth.

LeaseCrunch now supports over 500 CPA firms (including 43% of the top 400 CPA firms as ranked by **Inside Public Accounting**) and 15,000 companies across the nation on its lease accounting software. The company's addition of team members is a direct result of the expanded adoption of the LeaseCrunch software and ensures the company has the resources and support needed to manage this level of growth.

LeaseCrunch provides CPA firms with an efficient and accurate way to assist clients with the adoption of the new standards and to audit their lease accounting. The software allows them to manage all their clients and their leases in one location with

easy collaboration. Companies use LeaseCrunch to automate lease accounting and
