How Seniors Can Get Involved in Networking

As a senior, there are many opportunities for you to get involved in networking. Whether you're looking to start a business, a nonprofit, or find a volunteer opportunity, here are some ideas:

- **Join a local chamber of commerce.** This is a [great way to meet](#) other business owners and professionals. You can attend events and networking luncheons, and you may even have the opportunity to speak on panels or give presentations.
- **Search for volunteer opportunities online.** Look to local organization websites to [find something that matches your interests](#) and skill set. By volunteering, you'll not only be helping out a worthy cause but you'll also be meeting new people and expanding your network.
- **Join an online community.** If you're unable to get out and about as much as you'd like, there are plenty of ways to network online. LinkedIn is an excellent resource for connecting with others in your field, and there are [also many Facebook groups](#) and forums where you can connect with others who share your interests.

As you can see, there's no shortage of opportunities for you to get involved in networking in the local area.

Networking Events for Seniors

There are plenty of networking events that you can attend. There are a variety of programs and events geared toward older adults, including educational seminars, health and fitness classes, and social gatherings.

Having [your updated resume](#) available when networking and attending events is always a good idea. After you've created your resume, you can save it as a PDF to your iPad for easy access even if you don't have WiFi.

Maintaining Relationships
