For its ranking, Vault asked more than 11,000 accounting professionals to complete a survey that consisted of questions about life at the accountant's firm (or former firm) and a prestige rating. Survey participants were asked to rate firms other than their own on a scale of 1 to 10, with 10 being the most prestigious. Participants were asked only to rate firms with which they were familiar and were not permitted to rate their own (or former) firm. Vault then averaged the prestige scores for each firm and ranked them in order.

Based on the results of the survey, here are Vault's 50 most prestigious accounting firms for 2024:
