Expensify will handle the rest.

**Isaac M. O'Bannon** • May. 12, 2023

**Expensify** has announced the international expansion of their employee reimbursements functionality. Businesses managing spend and expenses across borders can now reimburse employees almost anywhere in the world. Expensify is a payments superapp that helps individuals and businesses around the world simplify the way they manage money across expenses, corporate cards, and bills.

“Employees can work from anywhere these days and expect to be reimbursed quickly

countries”, explained Expensify COO, Anu Muralidharan. “Further, we’re adding the ability for businesses to link withdrawal bank accounts in the United Kingdom, Canada, Australia, and the entire European Union.”

Expensify customers or prospects interested in enabling global reimbursements should contact their [setup specialist](#), [account manager](#), or Concierge to get started.
