Patriot Software, a provider of online accounting software and [payroll](#) for employers with up to 500 employees, has been named the “Best Affordable Option” in [Money's 2023 best payroll software services list](#).

[Money](#) is an online magazine with over 50 years of combined print and online publication. Money's list of the best payroll software for 2023 aims to help entrepreneurs select the best option for their business. The payroll recommendations are based on plan pricing, features, integrations, usability and scalability, and customer support and user experience.

Money said Patriot is “one of the most affordable payroll software options on the market,” with feature-rich software to their employees, and “Patriot’s payroll features rival what competitors offer—but at a lower monthly cost.”

“With a recession on the horizon, cutting business expenses is more important than ever. And when business owners start shopping around for more affordable payroll, they’re going to see that saving money doesn’t mean sacrificing quality with Patriot,” says Michael Streb, Product Manager. “We bring our customers the features they want and need while helping them save their hard-earned dollars. We’re proud to be recognized by Money as the best affordable option for payroll because the business owner is at the heart of everything we do.”

Patriot’s online payroll features include free setup and USA-based support, free direct deposit, unlimited payrolls, and integration options. Patriot’s [Full Service Payroll](#) option handles federal, state, and local tax filings and deposits.
