the best option for their business.

May. 25, 2023

Patriot Software, a provider of online accounting software and payroll for employers with up to 500 employees, has been named the "Best Affordable Option" in Money's 2023 best payroll software services list.

Money is an online magazine with over 50 years of combined print and online publication. Money's list of the best payroll software for 2023 aims to help entrepreneurs select the best option for their business. The payroll recommendations are based on plan pricing, features, integrations, usability and scalability, and customer support and user experience.

Money said Patriot is "one of the most affordable payroll software options on the market," with feature-rich software to their employees, and "Patriot's payroll features rival what competitors offer—but at a lower monthly cost."

"With a recession on the horizon, cutting business expenses is more important than ever. And when business owners start shopping around for more affordable payroll, they're going to see that saving money doesn't mean sacrificing quality with

Patriot," says Michael Streb, Product Manager. "We bring our customers the features
