2023 Most Powerful Women in Accounting

Deputy Chief Accountant for the Professional Practice Group

SEC Office of the Chief Accountant

How do you envision the accounting profession evolving in the foreseeable future for women?

The profession needs to attract more talent and women play a critical role in driving the profession forward. I believe the profession needs to do a better job articulating the many different career paths that the accounting profession has to offer.

What advice would you give to women college students about preparing for a career in the accounting profession?

I would encourage women college students to explore the variety of career paths that accounting has to offer, taking into consideration their passions and interests to help drive the type of career to pursue. I would also encourage women to take chances and seek out new opportunities. Throughout my career, I have learned and grown the most when I have pushed myself to take a risk and do something new.

How would you advise accounting firms on how they can better attract, retain, and advance more women?

The profession has so much to offer and accounting firms can do a better job on
