Citrin Cooperman said on Tuesday that Carlsbad, CA-based FMT Consultants has joined the top 25 accounting firm. Terms of the deal were not disclosed.

FMT will bring more than \$29 million in revenue and more than 80 individuals to New York-based Citrin Cooperman's West Coast operations.

"FMT is a wonderful fit to join our transformation and growth services group," Citrin Cooperman Advisory Services President Richard DeRienzo said in a press release. "The team at FMT has been a natural fit since the day we were introduced as our cultures are a perfect match, and with business intelligence and enterprise resource planning even more critical to any business' success, it is fantastic to welcome FMT and expand our ability to offer these solutions to our clients."
