GROWTH IS 13.3%

BDO announced revenue of \$2,822,600,000, representing a year-over-year increase of 13.3% for the 12-month period ending April 30, 2023.

Isaac M. O'Bannon • Jul. 06, 2023

BDO USA, one of the nation's leading accounting and advisory firms, has announced revenue of \$2,822,600,000, representing a year-over-year increase of 13.3% for the 12-month period ending April 30, 2023. This is the eleventh consecutive year of growth under CEO Wayne Berson's leadership. Within the firm, every practice increased revenue, with advisory, assurance and tax experiencing increases of 12.1%, 13.4% and 14.4%, respectively.

“Despite economic volatility and changing market conditions, BDO maintained its

Highlights include commitments and actions the firm is taking to evolve its business to be an even more responsible stakeholder for people and the planet. BDO continues to advance its efforts by integrating sustainable practices into the firm's operations and strategies.

To help both its professionals and clients thrive, BDO took significant steps within its practice areas. In early 2023, BDO appointed [Eskander Yavar](#) as National Managing Partner of Advisory to oversee the continued development of the practice as a significant contributor to the firm's growth. In audit and assurance, BDO continues to embed innovation into its service model through the ongoing development of [BDOADVANTAGE](#).

This full-service suite of proprietary audit technologies delivers seamless workflow and communication to make the auditing process more efficient and effective for clients. Enabled by digital transformation and the adoption of emergent technologies, [BDO's tax practice](#) is elevating the client experience with strategic focus and a total tax approach, while streamlining processes for the firm's professionals.

BDO also expanded its NetSuite capabilities with [AdaptaLogix, LLC](#), an Ohio-based IT services and consulting firm for the pharmaceutical industry. An additional 14 full-time professionals from AdaptaLogix, LLC joined BDO Digital, LLC, further strengthening and expanding BDO Digital's enterprise resource planning (ERP) capabilities.

“BDO continues to deliver exceptional and sustainable outcomes for all,” said Kelly Johnson, chair of the board of directors of BDO USA. “With our legacy of deep client relationships, extensive resources, dedicated and thoughtful professionals, as well as a purpose-led, quality-driven culture, we will always aim higher, helping all our stakeholders grow and thrive.”
