SCHNEIDER DOWNS

Big Thinking. Personal Focus.

Schneider Downs, one of the 60 largest certified public accounting and business advisory firms in the United States, is proud to announce the addition of seven new shareholders to its ownership group.

“We’ve had another monumental year at Schneider Downs,” said Steven Thompson, Co-CEO. “Each of these talented individuals has demonstrated exceptional commitment to our clients and the Schneider Downs community, and we’re thrilled that they’re continuing to grow with the firm. We’re proud to have added 15 shareholders in the past year, which wouldn’t have been possible without the tremendous rate of growth we’ve achieved and maintained over the past few years.

The future continues to be bright for us, and we're excited to continue providing

Ryan R. Deatrick joined the firm in 2009. He provides accounting and assurance services to both public and privately held companies, primarily those within the construction and manufacturing sectors. He also has extensive experience serving the employee benefit plans of his clients. Ryan is a member of the firm's Construction Industry Group and serves as the firm's subject matter expert related to Topic 606 Revenue Recognition for companies within that sector. Additionally, he frequently presents during internal firm training seminars and writes

articles for the firm's website. Ryan received both his Bachelor's and Master's degrees from West Virginia University.

Woodrow M. Morris has over 10 years of public accounting experience in various areas of tax compliance and consulting. He is experienced in working with the management of closely held businesses in implementing tax-planning strategies, as well as providing private equity and capital groups with tax forecast, advisory and compliance-related services. He also assists clients in identifying and applying for a variety of federal, state and local tax incentive programs. Over his career, Woodrow has managed tax engagements for privately held clients in industries such as construction, real estate, manufacturing and professional services. He received both his Bachelor's and Master's degrees from Robert Morris University

Brett T. Cubellis has more than 10 years of experience providing tax advisory services to privately-held corporations, partnerships, LLCs and individual clients, advising on various issues

involving federal, international and state and local tax matters. Brett's primary focus is on tax

planning, research and compliance issues for corporate and pass-through entities as well as

individuals. Brett has extensive experience working with companies operating in

privately held clients in the areas of income and franchise taxation. James is one of the firm's leading experts in accounting for income tax, including accounting for mergers and acquisitions, in accordance with ASC 740. He has served clients in various industries, including healthcare, retail, manufacturing, technology and professional services. He provides services to the firm's clients that include the coordination and review of corporate, partnership and individual tax returns, including implementation of tax planning strategies. James is a graduate of Youngstown State University.

William M. Deller Jr. has over 10 years of experience providing high-quality consulting, advisory and auditing services to clients across various industries, particularly in healthcare, technology, financial services, higher education, professional services and energy. William leads the Third-Party Risk Management (TPRM) practice at Schneider Downs in program design, execution, and innovative and strategic solutions. In addition, he directs and leads client engagement teams within the firm's full suite of Cybersecurity Governance, Risk and Compliance services. His specialties include SOC reporting, HIPAA, HITRUST, ISO 27001, GLBA, NIST 800 Series, CIS Cloud Security Controls, organizational policy development and IT general control testing. William is a graduate of Duquesne University.

Brian W. Matthews joined Schneider Downs in January 2007 and has more than 15 years of public accounting experience. Brian has extensive experience providing consulting services including buy side and sell side diligence and financial modeling. Prior to joining the Business Advisory Group, Brian provided audit and assurance services to a variety of industries, including construction, manufacturing, transportation and radio broadcasting, in addition to clients in

the not-for-profit sector and with publicly traded and private equity owned entities. He received both his Bachelor's and Master's degrees from Robert Morris University.
