PROFESSIONALS

Gateway offers real-time status reporting and customizable set-ups for internal, corporate, and individual clients, ensuring 360-degree visibility regardless of size, complexity, or location.

Isaac M. O'Bannon • Jul. 19, 2023

HubSync Co., a SaaS software company with [a next-generation tax and accounting automation platform](#), has launched Gateway. The centralized dashboard empowers CPA firms of all sizes, providing seamless navigation across the audit and tax landscape. With access to HubSync's end-to-end audit and tax platform, Gateway offers real-time status reporting and customizable set-ups for internal, corporate, and individual clients, ensuring 360-degree visibility regardless of size, complexity, or location.

"HubSync's team of industry professionals has a combined decades of experience in the tax and accounting landscape combined with a rich history of driving innovation and delivering exceptional solutions," said John McGowan, CEO of HubSync. "The Gateway dashboard is a game-changing, robust portal for tax, accounting and advisory professionals, delivering a consistent and singular client experience."
