deposit and employer and employee payroll taxes in the past five years.

Isaac M. O'Bannon • Aug. 07, 2023

The accounting software and [payroll services](#) provider, Patriot Software, has processed over \$13 billion in payroll and payroll tax dollars since 2018, a milestone for the SaaS developer says it hit in June 2023.

Patriot's payroll has the largest adoption rate among its software products, serving businesses with one to 500 employees in most industries. The company offers free direct deposit for its Basic Payroll and Full Service Payroll, with a 2-day lead time for

qualifying customers. Patriot's Full Service Payroll handles federal, state, and local

with, and knowing that they have a reliable and secure payroll provider to pay their employees and handle payroll taxes is of the utmost importance. We're proud to be that payroll provider for tens of thousands of businesses across the USA."

Patriot's combined collections for direct deposit and payroll taxes surpassed \$4.8 billion in 2022. The company's 2023 collections, which totaled over \$2.9 billion through July 26, 2023, are expected to exceed 2022's threshold.
