**Jared Ballew** is a 20-year veteran of the tax industry, and currently serves as Vice President of Government and Industry Relations at Taxwell, serving both Drake Software and TaxAct. Ballew is an expert in liaising and building relationships with Federal and State governments, industry and professional associations, and other partners. He is the 2022-23 Chairman of the IRS Electronic Tax Administration Advisory Committee and also serves as the President of the National Association of Computerized Tax Processors (NACTP), a trade association of the top income tax, payroll, and information reporting software companies who collaborate to promote standardization and simplification between government tax agencies and the tax processing industry. Jared is a popular speaker and advisor due to his expansive knowledge of current tax policies, cybersecurity, and industry trends.
