Greg Davis, Principle of Pinion, was presented with the 2023 Innovation Leader award.

Throughout his career, Davis has been dedicated to moving his firm forward through technology and innovation. As a founding Boomer Technology Circles member, Davis has also leveraged the Circles to build trusted relationships and lead his firm to be one of the leaders in the profession.

Pinion, formerly KCoe Isom, is a Top 70 accounting firm and the nation's leading Food & Ag consulting firm with offices across the United States. The firm can be found on the web at <https://www.pinionglobal.com/>.

"These awards honor leaders in the accounting profession who have the foresight to link firm management and technology," said Sandra Wiley, President of Boomer Consulting, Inc. "It's an honor to recognize some of the brightest and most influential people in accounting."

The winners were chosen from nominations submitted by around 100 eligible firms that are members of the Boomer Technology Circles.
