Bloomberg Tax and Accounting has launched Compliance Tracker, a workflow tool available on Bloomberg Tax Research that enables tax professionals to automate the cumbersome, time-intensive process of tracking and gathering of federal and state tax deadlines and forms, while providing alerts about approaching and changing filing obligations.

Corporate tax professionals spend dozens of hours each quarter collecting and verifying due dates and forms for their entities across all domestic jurisdictions to ensure that they do not miss a deadline. For many corporate tax departments, this is a manual process done via spreadsheets, which increases the risk of missing

deadlines or not meeting requirements. Compliance Tracker ensures accurate and
