opportunity to meet with them and discuss industry trends and the power of AI in augmenting workflows and operations.”

“We are all excited to announce Venus Williams and Barbara Corcoran as our keynote speakers for SYNERGY 2023,” said Elizabeth Beastrom, president, tax and accounting professionals, Thomson Reuters. “Their achievements are nothing short of inspirational and we look forward to hearing how they achieved their successes, managed through adversity and focused on achieving their goals. We look forward to seeing our customers and partnering on progressing the profession of tax and accounting in an ever-evolving environment.”

**SYNERGY for Corporate Legal, Tax and Trade** will kick off the SYNERGY season from November 5-8 and will convene corporate legal, tax and trade professionals. Here, they will learn more about Thomson Reuters products, gain deeper insights on key industry trends, network and to build new and strengthen existing partnerships.

**SYNERGY for Tax and Accounting Professionals** will take place November 8-11 where attendees will participate in interactive learning sessions, collect education credits, and celebrate the prestigious annual Luca Pacioli Awards, celebrating the best in the tax and accounting firm industry.

Registration for both SYNERGY 2023 events are now open, where participants will be able to view product demos and provide instantaneous feedback, register for C-suite executive summits, hear from keynote speakers and Thomson Reuters leadership, collect continuing education credits, and visit sponsor booths.
