PATRIOT

[Online accounting software](#) provider Patriot Software has partnered with online payments system Stripe to offer frictionless payment experiences for customers. Under this partnership, Patriot Software accounting customers can now effortlessly accept credit card payments on customer invoices, significantly enhancing the efficiency and convenience of their financial operations.

Patriot Software is widely known for simplifying accounting processes for American businesses and their accountants. Stripe and Patriot Software are dedicated to delivering user-friendly solutions that meet the needs of American businesses.

“We are excited to partner with Stripe to offer our customers a seamless invoicing experience,” said Mike Streb, Product Manager at Patriot Software. “This integration propels our mission to provide user-friendly and comprehensive accounting solutions.”

Accounting customers can connect their Stripe account or onboard with Stripe directly in Patriot's Accounting Software. With Stripe, customers can invoice

through Patriot Software's accounting software and be paid instantly via credit card,
