Nov. 15, 2023

The American Institute of CPAs and the Chartered Institute of Management Accountants, which together form the Association of International Certified Professional Accountants, are offering a virtual conference on sustainability and environmental, social and governance matters this December. The event comes amid rapid change in the regulatory environment and increased focus on sustainability reporting, assurance and strategy by companies, lenders and investors.

What: [AICPA & CIMA ESG & Sustainability Conference](#)

When: Dec. 13-14

Where: Virtual only live feed

- Preparing for the future of ESG and sustainability

Speakers include:

- Colin Mayer, emeritus professor of management studies, University of Oxford's Saïd Business School, on leveraging leadership strategy in this area
- Wes Bricker, vice chair, PwC's US Trust Solutions, on developments in the regulatory landscape
- AICPA & CIMA's Barry Melancon, Ami Beers and Jeremy Osborn on the role of the profession in sustainability

Who should attend:

- CFOs and controllers involved in ESG reporting
- Auditors and consultants representing SEC-registered or private companies
- Audit committee members
- CPA practitioners who are establishing service lines in this area

Reporters who are interested in covering the conference can contact Jeff May, jeffrey.may@aicpa-cima.com, for access to the live feed. Please consult the [full agenda](#) for more information.
