At Audit Sight, Jonathan is the COO and Founder of the cloud based technology aimed at eliminating the test of details performed by auditors and due diligence providers. Jonathan serves at the intersection of CPAs and software engineers. So far the team automated testing over, cash, accounts receivable, revenue, expenses, proof of cash, and confirmations. Audit Sight was part of the 2023 AICPA and CPA.com Startup Accelerator.

Before starting Audit Sight, Jonathan was the COO and Founder of InsightsOfficer, an automated bookkeeping platform later renamed Bookkeeping Connect. Bookkeeping Connect serves the platform enabling PwC's cloud accounting services.

Jonathan began his career auditing privately-held companies at PwC that ranged in revenue from \$50 million to \$27 billion, and helped three clients go public.

**What are you doing to make a difference in the profession, your community, the world?**

I am on a mission to transform the audit industry by removing mundane tasks that have long been a drain on resources and forced many CPAs to leave our profession. I

still remember working until midnight in a windowless audit room. Most of my early
