The **40 Under 40 Awards** spotlight the top practicing public accountants, educators and thought leaders who are leading their profession by visibly and incrementally changing the accounting profession through their exemplary leadership, their innovative thinking, their collaborative efforts to provide unity to the profession across the generations, and their community outreach which extends the visibility of the profession outside the workplace.

The **20 Under 40 Top Influencers** program similarly honors those who are leading the way in developing the constantly evolving technology and firm processes that allow practitioners to be more productive, efficient and profitable, as they build practices that will endure and thrive.

“We are fortunate to be surrounded by so many young professionals who are sharing their ideas, skills, and enthusiasm with the goal of making the accounting profession a better place. Change is occurring rapidly in our profession and this year’s award winners are embracing and welcoming the changes,” said editor-in-chief Gail Perry, CPA.

The **40 Under 40 Honorees** will be invited to participate in round table discussions and breakout sessions with *CPA Practice Advisor's* Thought Leaders during the **2024 AICPA CIMA Engage** conference in Las Vegas, June 2-6, 2024, at the Aria Resort and Casino in Las Vegas. This annual event brings together these influencers to discuss the technologies, trends, and challenges faced by the profession, and to offer insights into strategies to address them.

Click on the below honorees to learn more about them, their careers, their passions, and the traits that have led us to call them the future of the profession.

These are the voices of today that are shaping the profession of tomorrow.
