[Cetrom](#), a provider of custom cloud hosting solutions for CPA firms, announced today that [CRN](#) has named Cetrom to its Managed Service Provider 500 list in the Pioneer 250 category for 2024. This annual list honors a select group of IT Providers in North America that are driving growth and innovation in the industry.

The MSP 500 list, compiled by CRN, serves as a comprehensive guide to identifying and recognizing North America's top MSPs by offering managed services that enhance efficiency, simplify IT solutions, and optimize return on investment. In the Pioneer 250 Category, Cetrom is being recognized for its managed services solutions while serving its small and medium-sized firms.

Cetrom has delivered award-winning cloud hosting solutions and managed IT services since 2001. Developed specifically with the accounting firm's unique needs, each custom IT solution is scalable to support client growth and backed by award-winning managed IT services, advanced threat protection security solutions, and a

team of 100% US-based senior-level engineers who consistently deliver 5-star rated

America," said Christopher Stark, President and CEO of Cetrom. "We pride ourselves on the unique managed services model we have designed with our client's needs in mind. We are committed to delivering the same 5-star rated service and support to our clients, no matter their firm size. Customer service excellence is our passion, which has directly attributed to our record customer retention year-over-year."

"Managed services provide a route for businesses of all sizes to maintain efficiency and adaptability throughout their growth journey," says Jennifer Follett, VP of US Content and executive Editor CRN, The Channel Company. "Solution providers, like Cetrom, featured in our 2024 MSP 500 list, are introducing cutting-edge managed services portfolios to the market, enabling their clients to achieve success by optimizing their IT budgets. This allows businesses to allocate resources strategically, concentrating on mission-critical tasks that drive future success."

The MSP 500 list will be featured in the February 2024 issue of CRN and online at www.crn.com/msp500.
