Corvee, a software and solutions company serving small and medium-size businesses as well as tax and accounting firms, has added home office deduction filing guidelines to [Instead](#) and [Instead Pro](#).

A home office deduction allows for the deduction of expenses related to a portion of a home that is used exclusively and regularly for business operations or activities. With this latest strategy, users can leverage [Instead](#) to:

- Determine home office eligibility and estimate savings
- Add home office expenses
- Build or upload a home office policy
- Select a tax calculation method

[Instead](#) offers different ways to calculate and maximize deductions:

- Regular utilizes every aspect of your home office for maximum deductions. The
