strategy and execution, overseeing demand generation, corporate marketing and partner marketing initiatives.

Suchor brings over two decades of financial technology experience to his role as Executive Vice President at Valid8. As a member of Valid8's Board of Advisors, Suchor initially joined the company in 2017. He previously held leadership roles at IHS Markit, Shareholder InSite, IPREO and Quist Valuation, where he was adept at aligning product offerings with market needs to drive growth.

In his new role, Suchor will focus on identifying and pursuing adjacent market opportunities to expand Valid8's VFI platform into new solution areas for CPAs, attorneys and government investigators. Drawing on his expertise, Suchor will leverage Valid8's core AI-powered transaction analysis capabilities to service other professionals in need of rapidly verifying financial data integrity.
