PKF O'Connor Davies University seeks to cultivate knowledgeable, innovative and insightful professionals through a variety of benefits geared toward career development, including industry-specific certification courses; audit, accounting, tax and advisory services training; relationship-building coaching; and resources for continuing education. Beyond these specific opportunities, the organization continues to prioritize the creation of a workplace in which team members feel comfortable, a culture in which they can thrive, and other supports they need to set, reach and exceed their goals.

“We want our organization to be a place where our team members can meaningfully grow and develop their careers, and PKF O'Connor Davies University serves as an example of our commitment to professional development,” said Dawn V. Perri, Partner and Chief Human Resources Officer at PKF O'Connor Davies. “Our professionals will Know Greater Value through access to ongoing learning, training, certification and coaching resources that stretch their skillsets, strengthen their core competencies, and, ultimately, supercharge the value we provide our clients.”
